Dr. Zoran Petrovic

Dr. Petrovic started the Kansas Polymer Research Center in 1994 and was Research Director until his recent partial retirement. As Dr. Petrovic prepares for full retirement, we would like to honor his many publications and his participation in the Faculty Authors Reception. He has published over 140 papers, 3 books, 13 book chapters and has 15 patents.

Honoring Pittsburg State University’s Faculty Authors for Their Outstanding Contribution to Scholarship in the State of Kansas
